21.10 Provider shall agree to provide follow-up services for a period of ONE YEAR under the Scheme for identified follow-up packages.

21.11 Provider shall agree to provide free post surgical physiotherapy services, wherever required during the tenure of the agreement.

Article 22: Billing Procedure/Checklist for the Provider at the time of Patient's Discharge:

22.1 It is admitted and agreed that the Provider is aware that this MOU has arisen for the purpose of implementation of the Jyothi Sanjeevini Scheme intended for all State Government Employees and their dependants. The upper limit for different types of Implants, Stents, Valves, Pacemaker are listed in Article-7.2. **The hospitals have to adhere to these prices. However, if the employee desires to have a superior implant they may do so by paying the difference amount to the hospital and the total bill has to be submitted to the Trust during claim.**

22.2 Signature or the LTI of the patient / Beneficiary will be obtained on final hospital bills and the discharge form.

22.3 The Provider will submit the following: Original Discharge Summary, original investigation reports, all original prescriptions, Procedure CD's, MRI films, X-rays, Post Operative slides with Biopsy report, 3 Photographs of the patient taken preoperative bedside, immediate post-operative showing operation wound and at the time of discharge, Case Sheet with Operation Notes, breakup of the bills (Room Rent, Investigations, procedure charges & pharmacy receipt) A summary of the bills raised will also be uploaded along with the vouchers/actuals for Implants/Stents/Valves/Pacemakers etc. These documents are required for settlement of claims, while submitting the bill. The copies of the discharge summary signed by the Beneficiary will be uploaded in the Trust Portal.

22.4 Letter of Satisfaction from the patient should also be obtained and sent along with the bills in prescribed format.

22.5 Provider should ensure that Chemo Therapy Drugs are physically administered to the Beneficiaries. Provider should produce bills by quoting batch No., manufacturing date and expiry date and attaching photos of empty vials and ampoules with intact labels.

22.6 Provider shall also upload the refund vouchers of pre-operative investigations charges duly signed by the beneficiary and Arogyamitra.

Article 23: Payment Terms and Conditions:

23.1 Trust agrees to pay all eligible bills within 7 working days, subject to submission of all supporting documents including post-operative investigations and reports as required online. Photocopies of daily progress report and ICU charts should be uploaded online.

23.2 The provider agrees to submit the core banking number IFSC code to the Trust to facilitate electronic fund transfer for settling the claims. (Refer ANNEXURE–XV).

23.3 The Provider agrees to submit all the claims for the surgeries/treatments performed within 15 days from the date of discharge and another 15 days is allowed to comply to any objections raised by ISA/Trust, which means within 30 days claims with all documents to be submitted. Failing which penalty is imposed as follows:

1. Upto 30 days	-	No penalty
2. 31 days to 45 days	-	5%
3. 45 days to 60 days	-	10%
4. 61 days to 90 days	-	30%
5. Beyond 90 days	-	50%

23.4 The provider agrees that for all the Claims for which Preauthorization is obtained by the end of this agreement period, surgeries/treatment will be done within 30 days of expiry of this agreement and claim will be raised as per clause **23.3 above**.

Article 24: Limitations of Liability and Indemnity:

24.1 Provider will be responsible for all commissions and omissions in treating the beneficiaries referred under the Scheme and will also be responsible for all legal consequences that may arise. Trust will not be held responsible for the outcome of the treatment or quality of the care provided by the Provider and should any legal complications arise and is called upon to answer, the Provider will pay all legal expenses and consequent compensation, if any.

24.2 Provider admits and agrees that if any claim arises out of alleged deficiency in service on their part or on the part of their men or agents, then it will be the duty of the Provider to answer such claim. In the unlikely event of Trust being proceeded against for such cause of action and any liability was imposed on them, only by virtue of its relationship with the Provider, the Provider will step in and meet such liability on their own.

24.3 Notwithstanding anything to the contrary in this Agreement, neither Party will be liable by reason of failure or delay in the performance of its duties and obligations under this Agreement if such failure or delay is caused by acts of God, Strikes, lock-outs, embargoes, war, riots, civil commotion, any orders of Governmental, Quasi-Governmental or local authorities, or any other similar cause beyond its control and without its fault or negligence.

Article 25: Confidentiality:

All stakeholders undertake to protect the secrecy of all the data of Beneficiaries and trade or business secrets of, and will not share the same with any unauthorized person for any reason whatsoever within or without any consideration.

Article 26: Termination:

Any deficiency in service by the empanelled Network Hospital (Provider) or non-compliance of the provisions of MOU will be scrutinized by the Empanelment & Disciplinary Committee (EDC) constituted as per the Trust order No. HFW/SAST/05/2009-10 dated 18th Dec 2009 comprising of representatives from the Trust and make deliberations to **suspend / de-list / stop payments** or any other appropriate action based on the nature of the complaint against the Provider. The Provider shall abide by the decisions made by the EDC and Trust in this regard.

Article 27: Jurisdiction:

27.1 Any dispute arising of this MOU will be subject to arbitration as per Arbitration Act and subject to the jurisdiction of Courts in the State of Karnataka only.

27.2 Any amendments in the clauses of the Agreement can be effected as an addendum, after the written approval from both the parties.

Article 28: Appeal Provision:

The provider if under any circumstances feels aggrieved by any actions/decisions of the representatives of the Trust/ISA can appeal to the Appeal Committee of the Trust which will be constituted and intimated to the Hospital from time to time.

1. The first Appellate Authority shall be the EDC of the trust,
2. The final Appellate Authority shall be the Trust Board

Article 29: Grievance Redressal:

Any Grievances from the Public/Network Hospitals will be examined by the Grievance Committee constituted as a Sub-Committee of the Board of Trustees.

Article 30: Renewal of Empanelment of Network Hospital

The renewal of empanelment is subjected to –

- 1) Mutual consent of both the parties
- 2) Treated minimum SAST scheme beneficiaries
- 3) Performance of the hospital with respect to volumes and quality of care like (Hospital acquired Infections, Accreditation, clinical indicators, follow-up) of SAST beneficiaries to the Satisfaction of the Trust

Article 31: Non-exclusivity:

Trust reserves the right to appoint other Provider/s for implementing the packages envisaged herein and Provider will have no objection for the same and vice-versa. In witness thereof this agreement was executed by or on behalf of the parties the day and year first before written.

Annexure – III

GENERAL GUIDELINES ON THE BENEFIT PACKAGE

- 1) The Benefit Package includes cost of consultation, medicine, diagnostics, implants (as in Article-7, Clause-7.2), food, hospital charges etc. In other words the package covers the entire cost of treatment of patient from the date of reporting till the date of discharge from the hospital and also post hospitalization cost up to 10 days making the transaction truly cashless to the beneficiary. Any of the beneficiaries opts for upgraded services, he/she shall pay the differences to the NWHs.
- 2) The post-operative hospital stay in all procedures shall be normally for 10 days.
- 3) Provider shall conduct all required diagnostic tests and medical treatment free of cost for a beneficiary who is likely to undergo a surgery / therapy under Jyothi Sanjeevini Scheme. The cost of various treatment/tests conducted on the Jyothi Sanjeevini beneficiary who are evaluated but ultimately do not undergo surgery or therapies shall be borne by the ID card holders and the Provider shall charge the rates approved by the Trust for various investigations.
- 4) Provider shall provide 10 days post discharge free medicines to the patient within the package.
- 5) Provider shall provide reasonably good food to the patient, and shall make alternate arrangement for food wherever in-house pantry is not available. The hospital shall not give money as an alternative to food.
- 6) Provider shall use standard prosthesis and implants for surgical procedures and adhere to Article-7, Clause-7.2, however if there is genuine technical reason to justify such a higher value prosthetic/implant, it can request the technical committee of the Trust to approve enhancement with evidence.
- 7) Provider shall assist and facilitate the patient to procure compatible blood for the surgeries. The hospital shall provide blood from its own blood bank subject to availability within the package. In case of non-availability the hospital shall make efforts to procure from other blood banks, Red Cross, voluntary organizations etc. The hospital shall also issue a copy of the request letter to the patient.
- 8) Prosthesis:**
 - i) Cost of prosthesis is inclusive of foot and shoe, wherever required.
 - ii) Prosthesis must have been manufactured with the materials with BIS (Bureau of Indian Standards) certification.
 - iii) All prosthesis shall be functional in nature.
 - iv) Manufacturer shall give minimum of 5 years replacement Guarantee.
 - v) Manufacturer shall provide free replacement of leather parts/straps etc., during this period apart from replacement guarantee.

ANNEXURE-IV

GENERAL GUIDELINES ON HOSPITAL SERVICES

1) **Allocation of beds in Network Hospitals for Jyothi Sanjeevini Beneficiaries:** The Network Hospitals shall allocate at least 10% of the total bed capacity for admitting Jyothi Sanjeevini Scheme beneficiaries in addition to 25% under Vajpayee Arogya Shree Scheme.

2) **Conduct of Outpatient services:**

a) Provider shall ensure separate OP facilities for Suvarna Arogya Suraksha Trust Schemes beneficiary by establishing exclusive Suvarna Arogya Suraksha Trust counter / kiosk, to be manned by “SAMCO” of the Network Hospital and Arogyamitra.

b) **General counseling** should be done for all **OP beneficiaries** to ascertain their eligibility under Jyothi Sanjeevini Scheme to avoid conversion in to cash beneficiaries at a later date.

3) **Conversion of cash beneficiaries into Jyothi Sanjeevini Scheme:** To avoid conversion of cash beneficiaries into Jyothi Sanjeevini Scheme beneficiaries, the Provider shall take a declaration from patient at the time of admission on the applicability or otherwise of Jyothi Sanjeevini. In emergency /trauma cases, beneficiaries may be allowed 48 hours after admission to claim Jyothi Sanjeevini Scheme benefit.

However, Provider agrees to the package to be authorized even for those beneficiaries who were admitted as non-Jyothi Sanjeevini out of ignorance but subsequently identified as Jyothi Sanjeevini beneficiary during the course of stay in the hospital. In the meanwhile, any payment received from the patient shall be refunded immediately after getting preauthorization approval and before discharge of the patient from the hospital duly obtaining a receipt from the patient

4) **Conduct of Inpatient services:** Provider **should not refuse to admit any Jyothi Sanjeevini beneficiaries** where it has consultants and equipment in any specialty that is covered under the Jyothi Sanjeevini Scheme. A minimum of 10% of overall bed capacity under each specialty have to be made available to Jyothi Sanjeevini beneficiaries in Network Hospitals.

5) **Follow-up services to Jyothi Sanjeevini beneficiaries:** Provider shall provide cashless facility for follow-up treatments for identified diseases. The follow-up benefit package includes the cost of medicines, diagnostic tests and consultations. (Please refer Annexure-V for detail guidelines on follow-up services)

ANNEXURE – V

FOLLOW-UP SERVICES FOR JYOTHI SANJEEVINI BENEFICIARIES

The necessity of devising suitable Follow-up Benefit Packages for the specific surgical procedures was recognized and 50 follow-up benefit packages have been identified for certain procedures. The follow-up benefit package includes the cost of consultation, investigations, drugs etc. for one year. Please refer following guidelines and process flow for providing cashless services for follow-up benefit packages under Jyothi Sanjeevini Scheme.

A. Guidelines:

- 1) The follow-up benefit package covers entire cost of follow-up i.e., consultation, medicines, diagnostic tests etc. for one year.
- 2) Follow-up treatment shall be entirely cashless to the patient and will start on 11th day after patient's discharge and will continue for one year after 11th day of discharge.
- 3) Pre-authorization is not required for follow-up services.
- 4) For operational convenience package amount is apportioned to 4 quarters. Since frequency of visits and investigations are common during first quarter, more amount is allocated for first installment.
- 5) However the entire package amount must be treated as single entity and hospital shall not refuse to conduct investigations free of cost under the package any time during one year follow-up period.
- 6) The Patient follow-up visits may be spaced according to medical requirement, but approval will be given for one quarter.
- 7) The SAMCO and Arogyamitra shall facilitate patient follow-up.

B. Process Flow:

1. Patient is counseled at the time of discharge about the importance of follow-up and availability of free services by the hospital.
2. The first follow-up date shall be on 11th day after discharge as first 10 days treatment is provided under surgical benefit package. The date and other details shall be indicated in the Discharge Summary.
3. SAMCO and Arogyamitra shall specifically inform the patient about the date and time of subsequent follow-up visits, duly making entry in the online application of Trust portal based on Standard Medical Protocols.
4. Hospital shall send proof of follow-up services of patient and submit to Trust once in three months for each quarter by uploading the following details in the Trust portal:

1. Details of consultation
2. Details of medicines given
3. Details of Investigations done along with reports.
4. Acquaintance from beneficiaries in the prescribed format
5. Photograph showing the medicines provided to the patient.
6. Bills for medicines and diagnostics (to be scanned and uploaded)

5. Trust shall settle claim as per package amount based on above proof.

6. Hospital shall claim follow-up package only for the disease mentioned along with the code and no other claim shall be entertained by Trust.

C. Follow-up Packages: The list of 50 identified follow-up benefit packages is as follows:

ANNEXURE –VI

GUIDELINES FOR POLYTRAUMA CASES

The guidelines for treating Polytrauma cases are as follows:

I. The road traffic accidents covered under the Motor Vehicles Act are not covered under Jyothi Sanjeevini, however if the beneficiary is not entitled for any insurance relief, then the beneficiary is eligible to avail the benefit of Jyothi Sanjeevini.

II. Components of Polytrauma:

The following are the major components of Polytrauma based on the systems involved:

1. Orthopedic trauma
2. Neuro-Surgical Trauma
3. Chest Injuries
4. Abdominal Injuries

The above major components separately or combined are defined as Polytrauma since Trauma cases are mostly associated with other minor injuries along with the major components.

III. Coverage under Polytrauma:

The following are the identified components of Polytrauma for providing coverage under Jyothi Sanjeevini.

- **Orthopedic trauma**
 - a. Surgical Corrections
- **Neuro-Surgical Trauma**
 - a. Surgical Treatment
- **Chest Injuries**
 - a. Surgical treatment
- **Abdominal Injuries**
 - a. Surgical treatment
- Initial diagnostic evaluations for all trauma beneficiaries have to be made free of cost.
- Since majority of poly-trauma cases are emergency in nature, the emergency pre-authorization may be obtained by providing basic information available like ID Card. (Additional details provided in emergency E-preauthorization module).
- Hospital shall give minimum 48 hours time for the patient to furnish ID card for being a beneficiary of Jyothi Sanjeevini Scheme and till that time no money in the form of advance shall be collected from the beneficiaries. However the Arogyamitra shall help the patient in producing the ID Card before deadline.

- After patient stabilizes, the hospital shall mention full details like mode of injury and type of injuries sustained in the pre-authorization to help the ISA / Trust doctors in assessing the preauthorization.

IV. Note on Surgical Management:

All surgeries related to the components of poly-trauma and mentioned in packages are covered irrespective of hospitalization period.

- 1) All surgical packages are maximum amounts that can be claimed under that category and claim shall be settled based on the type of surgery performed, number of days of hospital stay and associated injuries treated that are not defined in the Scheme.
- 2) Pre-Authorization shall be given for full amount and claim shall be settled as per above guidelines.
- 3) Package for Surgical Correction of Long bone is for each bone and hospital can claim multiples of the package amount for multiple fractures sustained. However for both bones fractures in forearms and legs the second package shall be halved as procedure involved for second bone is minor and involves same field of operation and same sitting.
- 4) Separate package is provided for coverage of wound management in Compound Fractures. Since it is wound management in compound fracture, these packages shall only be used in association with fracture management of long bones in trauma either by Internal Fixation or by External Fixation.
- 5) Separate packages are provided for surgical management of Facial Bone Fractures and Pelvic Bone Fracture in Trauma.
- 6) Packages are provided for surgical management of Patella Fracture and small bone fractures in trauma; however **these packages are applicable only when these fractures are sustained as a component of Poly-trauma i.e. in association with other injuries defined in poly-trauma.**

ANNEXURE-VII

GUIDELINES FOR LAPAROSCOPIC PROCEDURES

1. Hospitals shall upload intra-operative photographs depicting face of the patient and operative site along with specimen removed with date and time depicted on the print/image.

- × Apply for multiple procedures for the same patient without clinical justification.
- × Submit pre-authorization approval repeatedly for the same patient.
- × Send patient or patient's relative to Trust / ISA office for approval and enhancement as preauthorization has to be obtained only from the hospital.
- × Mention wrong telephone numbers of treating doctors on the preauthorization as this may cause delay in issue of pre authorization.
- × Submit clinical photograph, which is incomplete and inconclusive. The postoperative photograph should reveal as much as possible the operative site and the beneficiaries face.
- × Collect any amount towards follow-up consultation & medicines for those cases where follow-up packages are provided, as the services are inherent with the pre-defined package.
- × Collect money from beneficiaries / family to procure blood / blood products but facilitate to procure in case it is not available within the hospital blood bank except in case of hematological disorders.
